ABOUT US

Hi, I'm Kristen!

I have 15 years combined experience in the fashion and interior design industries and have gained a unique perspective which has helped me to define my personal aesthetic.

Despite many great opportunities, I have always felt that I needed a creative outlet that was my own. With my husband Ted's support and his business/building savvy, Mildred & Co was born.

Mildred & Co is a true labor of love and because of that I promise to pour myself in to your designs or rental experience 110%. Creating is what I love and I want you and your guests to feel that love on your wedding (or event) day.

XO, *Kristen*
